**6th Annual
Christie Lake Kids Golf Tournament
August 16th, 2017
Presented by**

At Christie Lake Kids, we believe the experience of growing up in poverty should not define a person or limit their potential. We offer year-round programs to Ottawa's most vulnerable children, giving them the chance to learn physical, character and social skills in a safe, encouraging, inclusive environment.

More than 600 kids from low-income families attend after-school & weekend programs like Art, Music and Hockey at inner-city community centres and spend two weeks every year at Christie Lake Camp in Perth. All of our programs are offered free of charge and with all supplies & transportation included!

Our staff and volunteers provide outreach throughout the year, surrounding children with support ~ teaching, encouraging and inspiring.

"Building Skills - Transforming Lives" is not just a tagline - it's what we do.

CHRISTIE LAKE KIDS PROGRAMS ARE BASED ON THESE BASIC PRINCIPLES:

- All kids deserve a safe, healthy childhood.
- All kids deserve the opportunity to learn, to achieve, and to succeed.
- Teaching skills of all kinds not only builds those particular skills; it also builds self-esteem, social skills, and other positive qualities.
- Children from low-income families deserve the same recreational and skill-development opportunities as other children.
- Caring for children and youth is not just a private issue; it is a collective responsibility.

"Some people will think of Christie Lake and STAR as poor, but a South American Tribe in the Andes Mountains believe wealth isn't money, it's how much you smile and laugh. With that being said, I think Christie Lake is the wealthiest organization in history."

A.J., Christie Lake Kid
