# KIDS ARE HEADED BACK TO CAMP

It's the best time of year! Children and youth aged 8-13 are registering now for their first overnight camp experience; and returning campers too. This summer, Christie Lake Kids is returning to our in-person camp for vulnerable kids in our region. The kids and counselors alike are so excited!

Have you or any kids you know ever attended a camp? Close your eyes and you can probably recall your favourite camp memory to this day. There's so much to look forward to – especially through the eyes of a child. Venturing off on a first-ever bus ride, meeting new friends, daydreaming about s'mores....

Once kids arrive at Christie Lake Kids' campground in Perth, there is so much awesomeness to take in: the glistening lake, long docks, bunk beds and dining hall. There are basketball courts, canoes and fire pits. Trees, flowers, walking trails and water – nature at its best, in fact.

Two-weeks away from home is so impactful for children and youth who otherwise cannot afford to attend camp – building confidence, skills, relationships and memories all at the same time. Generous donors help kids who live below the low income cut-off to attend our camps entirely for free. At \$1,500 per person, Christie Lake Kids covers all related travel, supplies, food, programming and supports – whatever is needed. All barriers are removed and we welcome as many kids as we can.

**On Saturday, June 4th 2022, Christie Lake Kids (CLK) will be hosting our annual Enbridge Canoe for Kids at Mooney's Bay.**

**All funds raised support sending our kids to Christie Lake Camp!**

You can help us! And it involves one of the kids' all-time favourite camp activities – canoeing! Please [support the Enbridge Canoe for Kids](#) event at Mooney's Bay on June 4. You can [register as a team of six or alone](#) – some of the kids we serve will also participate alongside you. It's a ton of fun. Every dollar raised helps to send another child to camp. Our goal is to get 100 new kids off to camp to mark Christie Lake Kids' 100<sup>th</sup> anniversary.

**If you cannot participate in-person, you can participate virtually by creating a team, fundraising, and engaging in a physical activity of your choice. Or, simply make a donation using the below link.**

**DONATE NOW**

**For further information, reach out to Jacqueline:  
[jsearle@christielakekids.com](mailto:jsearle@christielakekids.com).**

*"We're going on a bear hunt..."*

*"Down by the bay, where watermelons grow..."*

*"Take me home, country roads..."*

Camp songs. Like s'mores or your first-ever paddle on the water:  
unforgettable.

**Thanks for supporting kids who need it most!**
