## Happy 25<sup>th</sup> Anniversary of Enbridge Canoe for Kids! The Show Must Go On!

Enbridge Canoe for Kids is officially BACK – in virtual form. We aren't going to let another year go by where we don't celebrate this amazing community and the '25' years of this amazing event. So, while we can't head to the beach right now – we are asking you to register a team (remotely) and let us show this city what we can do for the children and youth of Christie Lake Kids. Starting now, you have 4 weeks to prepare so:

**JOIN THE CHALLENGE!**

Get your team together (six people) and collectively, choose an activity. You can:

1. Run
2. Walk
3. Bike
4. Paddle (if you have this opportunity – use it!)

Register your team and start fundraising today at: [www.canoeforkids.com](http://www.canoeforkids.com). If you have had a team previously, log in and bring back your team. Like previous years, you can invite people using the Participant Centre. If you haven't had a team before, register to create a new one. Don't have time to register or bring back your team today? Finding it too hard to register? Email or Call Natalie at: [nbenson@christielakekids.com](mailto:nbenson@christielakekids.com) or 613-316-1185 and she will do the work for you! EASY!!! When you register your team of six people, you will receive an awesome SWAG bag filled with some cool items to make your Enbridge Canoe for Kids experience awesome!

### TEAM SHOUT OUTS!

It's been two years! We want to see your faces! On June 5<sup>th</sup>, upload your photos and short videos of your hard work on **June 5<sup>th</sup> – The '25<sup>th</sup> Anniversary of Enbridge Canoe for Kids**, and tag Christie Lake Kids in your posts. Closer to the date, we will send you a digital photo frame to use for your photos. Your networks will want to know that you are supporting a cause that is near and dear to your heart!

On June 5<sup>th</sup>, make a plan with your team to be active on that day. You have all day to log your points (from 9-5). At this point, you and your team members (remember – socially distanced, masks, protocols...) can remotely start your physical challenge. Report your total hours (to the nearest half) to your Captains and Captains will upload these to the website when you think you are complete.

Once you register, we'll show you how to keep an eye on our **leaderboard** throughout the day. If you think you're the team in the lead by noon and another team pulls ahead? Well, we've seen the incredible spirit in this group and we know you'll rally again and keep the race going! All activity has to be reported by 5:00pm and the "Closing Ceremonies will be at 7:00pm announcing the winners!" A link to the closing ceremony will be available closer to the date.

Stay tuned as closer to the date, you'll be getting details with a link to our amazing raffles that will help us raise additional funds leading up to Enbridge Canoe for Kids.

Who are the real winners? The children and youth who participate in the awesome programs at Christie Lake Kids. This summer, like last, we are delivering a Camp in the Box program that contains all the cool materials and supplies needed to participate in our camp program. The camp program this summer will be a mix of virtual and small in person activities in the City of Ottawa. If allowed, we've also booked sites to deliver overnight canoe trips for the kids in our Leaders in Training Program. All funds from this event will fund summer programs to ensure our kids are healthy and happy and ready to return to our exciting lineup of programs when it is safe to do so!

**REGISTER**
