## At Christie Lake Kids, we believe that growing up in poverty should not define a person or limit their potential.

For over 100 years, Christie Lake Kids has offered programming to Ottawa's most vulnerable children and youth. What started as a summer camp has evolved and changed to meet the needs of the Ottawa community.

More than 600 kids from low-income families in Ottawa attend free after-school and weekend programs like Art, Music, STEM, and Hockey within city community centres, and spend time every summer at Christie Lake Camp. All of our programs are offered at no cost, with barriers removed, and all supplies and transportation provided.

## As Chair of the 2025 Christie Lake Kids Golf Tournament, I'm thrilled to invite you to be part of this premier event supporting children and youth from low-income households in Ottawa.

With the incredible support of our golfers, sponsors, and volunteers, this tournament has raised over \$500,000 since its inception—directly impacting the lives of young people who need it most. But the need has never been greater.

This year, proceeds will support Christie Lake Kids' Leaders in Training program, which provides mentorship, life skills, and community-building opportunities for youth aged 13-18, helping them thrive academically and prepare for future employment.

By becoming a sponsor, you're not only contributing to the success of this tournament—you're investing in the potential of the next generation. This sponsorship package outlines how you can get involved, engage your employees, and make a lasting impact in our community.

We would be honored to have you join us at this exclusive Sponsors Only Tournament. Thank you for helping us create opportunities and level the playing field for Ottawa's most vulnerable kids.
